

HOSTEL GUIDE

UNIVERSITY OF SARGODHA

Message from the Vice Chancellor

It gives me great pleasure to welcome all the newly enrolled students who will be sharing hostel accommodation in coming months and years.

University of Sargodha takes special pride in being the only public sector university in the country that accommodates all of its female students in most honorable way. A reasonable number of seats are also offered to male students. Despite limited resources, University accommodates more than 3,500 students in 7 girls' and 4 boys' hostels at the main campus and one other constituent college in Sargodha.

We are currently revamping the Office of the Chairperson Hall Council to improve service delivery at all levels, including comfort, cost, and care. We are also striving hard to provide a socially and intellectually conducive environment for all of our hostel residents.

Lastly, I wish to remind you that years spent here in the rooms and lobbies of each hostel will be most memorable moments of your life. On our part, we shall do everything possible to make each one of you a competent and responsible citizen of our beloved nation. We will always appreciate your voluntary contribution to this noble cause.
